Enrollment and General Information

Thank you for considering to enroll your child(ren) at YKCS. Please take a moment to review all the material in this application package. If you have any questions, or need assistance in filling out any of these forms, please contact the school office at 780-723-3850, and we would be pleased to help you.

1. Registration Fee:

An application fee of \$100 per family must accompany each application form. This money will be applied to your child’s tuition for the school year. No processing of the application will be done without this fee. If for any reason we are unable to accept the student(s), we will return the application fee to you.

2. The admissions procedure is as follows:

Student Application – Please complete and return the Student Registration Form, Consent to Collect Information, Request to Collect Student Records, Parent Pledge, and Society Application Form. The Pastor’s Report can be given to your pastor to be filled out and returned to the school. (For families new to YKCS, the Pastor’s Report must be in our possession before we can completely process the application.)

Interview – An interview will be scheduled by the Principal to discuss enrollment. The interview is to be held with both parents, if possible, and the child(ren). Please bring your child’s birth certificate, as well as their latest possible report card.

Final Acceptance – The final decision is made by the administration and ratified by the school’s board. You will be notified as soon as possible, but normally within 2 weeks of the interview.
